

## 7 DESIGNERS SHARE THEIR TIPS FOR UNEXPECTED COLOR COMBINATIONS

*It's all about balance.*

ED BY DERING HALL JUL 15, 2016

"It's all about balance. After selecting this boldly colored cashmere from Loro Piana for the custom bed, I wanted to soften the impact on this otherwise neutral blue-grey room. When combined with the complementing pop of yellow on the USM nightstands, these strong colors are neutralized to create a relationship that is dynamic and harmonious."
